

## Laura Queenan Promoted to Deputy Compact Administrator

I am pleased to announce the appointment of Laura Queenan to the position of Deputy Compact Administrator. In this capacity she is responsible for the activities associated with the Interstate Compact for Adult Offender Supervision. The Compact regulates the transfer of offenders on probation and parole across the states.

Laura joined our ranks as a Senior Word Processing Typist within the Adult Probation and Parole unit on September 6, 1992. In 1997 she was promoted to Probation and Parole Aid where she worked closely with the Deputy Compact Administrator. In April of 2013 Laura was asked to act as Deputy Compact Administrator during Kevin Dunphy's absence. She graciously stepped in and handled the responsibilities of this position with professionalism and integrity.

Laura has shown herself to be hands-on, creative and thorough. Her dedication and commitment to our agency throughout her career have earned her the respect of many.

Please join me in congratulating Laura on this well-earned appointment.
