“The New England Council on Crime and Delinquency is committed to community safety through realistic and effective programming for crime and delinquency prevention, offender rehabilitation and reintegration.”

**Mission Statement**

We will provide a clear voice and network for information and action for the field of criminal justice and corrections.

We will assist other members to gain new techniques and trends in regard to criminal justice and corrections through training, knowledge and development in those fields and allied fields.

We will encourage educators to initiate and devise programs related to professional development.

We will foster community involvement in the prevention of crime and delinquency and act as an information-clearing house.
